## INFORMATION SHEET – The **Card Packaging** referral scheme

Card Packaging offers a rebate to anyone who can tell us of someone they know who could benefit from our products and services. There's two simple ways to cash in on this deal:

1. **Tell us** – Download a referral form from our [website](#), or just call or [email](#) us and we'll send you a form to fill in and return. We'll contact the person/company you recommend and provide all the information they need.
2. **Tell them** – Let the person know about what we do, and how to contact us. Make sure you tell them to mention your name when speaking to us, then we'll know that we need to reward you!

If the person or company you recommend places an order with us, you qualify for a **straight £20 discount** off your next order from Card Packaging!

### *The small print*

VAT: The £20 discount you qualify for is exclusive of VAT, so at 17.5% VAT the actual total we knock off your gross invoice value will be £23.50

Disclaimer: We may not be able to fulfil the specific needs of the person/company you recommend, in which case they may want to place an order and take advantage of our products and pricing, but (for example) it may be difficult for us to deliver exactly what they need us to, meaning that an order is not actually placed. We would just ask you to bear in mind that it is Card Packaging's sole and irrevocable right to determine whether an order is accepted.

Contract: This is not an offer of contract and should not be acted upon as such. The Card Packaging referral scheme is a trading promise that we will deduct £20 + VAT off your invoice when you next order goods from us, should we be able to fulfil an order from somebody that you have recommended to us, rather than an offer of contract or an invitation to treat.
